

Ammonium transporter

Ammonium transport

Peptide/nitrate transporter

Nitrate / peptide transport

Transmembrane amino acid transporter

Amino acid transport

Amino acid permease 6

Amino acid transport

Amino acid permease 2/3

Amino acid transport

Sucrose transporter 4

Source-sink carbon transport

SWEET17a

Source-sink carbon transport

Bidirectional SWEET transporter

Source-sink carbon transport

Transporter candidates are shown as a panel because they carry no direct STRING interactions in this export.

Ammonium transport

Nitrate / peptide transport

Amino acid transport

Source-sink carbon transport
